PARKING

The Parking Deck for the 171 17th Street Building has three levels in the area under the building. When referencing the instructions below, please note that the street signs are the same as that on street level.

Entering from 171/2th Street and Parking on P1 (Top Level)

Entering the parking deck from 171/2th street, there are several two-hour reserved visitor spaces. As well, there are four (4) handicap spaces available directly in front of the elevator entrance.

Short-Term Parking (2 hours or less)

If you enter the parking deck from the right lane, take an immediate right turn past the ticket dispensers. There are a few two-hour reserved visitor spaces immediately on the right. Or: If you enter the parking deck from the left lane, proceed straight ahead past the ticket dispensers, and there are several two-hour reserved visitor spaces. **Please keep in mind, you will be ticketed if you park beyond the two-hour limit.*

Long-Term (2+ hours) and Event Parking

Continue past the blue parking deck elevator lobby and make a left-hand turn at the end of the lane. Take your first or second right and follow the parking lanes. Any open space in this area **without a Reserved Parking sign overhead** is available for visitor parking.

Entering from 171/2th Street and Parking on P2 (Middle Level)

Long Term (2+hour) and Event Parking

Enter the parking deck and take an immediate right and travel past the blue parking deck elevator lobby. Take a left at the end of the lane, and take the second left at the “Exit – Down to P-2” overhead sign. Proceed to the end of the lane where a quick right hand u-turn will take you down the ramp to the Second Level, P2. Continue straight down the ramp instead of making the turn at the bottom, and follow the parking lanes. Any open space in this area without a Reserved Parking sign overhead is available for visitor parking. There are five (5) handicap spaces available directly in front of the elevator entrance.

Entering from Fowler Street via 16th Street and Parking on P3 (Lowest Level)

Entering the parking deck from Fowler Street via 16th Street (underneath the 17th Street Bridge), there are thirteen (13) two-hour reserved visitor spaces. As well, there are five (5) handicap spaces available directly in front of the elevator entrance.

Short-Term Parking (2 hours or less)

If you continue straight past the attendant booth, make a left and there are several two-hour reserved visitor spaces. Or: Continue straight past the attendant booth, following the parking lanes past the reserved parking spaces and there are some two-hour reserved visitor spaces on the right. **Please keep in mind, you will be ticketed if you park beyond the two-hour limit.*

Long-Term and Event Parking

Continue in the lane you are traveling in and the one parallel to it to the left are all unreserved spaces. Any open space in this area without a Reserved Parking sign overhead is available for visitor parking.

Exit Instructions – All Levels

The main exit is on the lowest Parking Level – P3 (Level P1 is entry only). If parking on P3, you will exit via the attendant booth area where you entered. If you entered and parked on P1 or P2 you will need to access the connecting ramp down to the P3 exit. The main ramp is located approximately 30 feet southeast of the blue parking deck elevator lobby (see attached map). Follow this ramp down the levels by continuing to make right turns where you will locate an overhead Exit sign with an arrow pointing in the direction of the main P3 exit. A parking attendant at this location will assist you when exiting the parking deck.

Parking Validation Instructions for the 171 Building

Clients and guests of Smith & Howard: parking validations will take place on the 9th floor at the receptionist desk. **No hand-written validations will be accepted at the gate.** You may insert the validated parking ticket into the machine. At the gate, there is a voice that will lead our clients and guests through the instructions to assist them in exiting the parking garage properly. **Note: If you place the card into the machine incorrectly, the machine will reject the card and allow you to insert the validated card correctly.**

Client Access to Building After Building Hours

Clients coming after hours should be instructed to park in the visitor's spots on the P3 level and to call security on the blue emergency telephones by the parking deck elevator to get access.
